

How to sell or buy Capricorn Group shares

A brief summary

How do I prove I am a Capricorn Group shareholder?

The Share Certificate issued by Transfer Secretaries (Pty) Ltd, a subsidiary of the Namibia Stock Exchange (NSX) must be used as proof.

How do I sell or buy Capricorn Group Shares?

Since Capricorn Group is listed on the NSX, selling or buying of shares can easily be done through registered stockbrokers namely; IJG Securities, PSG Konsult, Namibia Equity Brokers (NEB) and Simonis Storm Securities. “Off-market” transactions are possible if a seller and a buyer have agreed on a transaction.

How do I open an account with a registered stockbroker?

To open an account with a registered stockbroker, you need the following documents:

- Certified copy of identity document
- Proof of residence e.g. Municipal bill
- Bank statement not older than 3 months

What are my selling or buying options?

You can sell or buy Capricorn Group shares by placing an order with a stockbroker. Two types of orders can be placed:

- Market Order (when you want to sell or buy shares as quickly as possible)
- Limit Order (when you want to sell or buy shares at a set price or better)

What costs are associated with selling or buying Capricorn Group shares?

The total cost charged for selling or buying shares is regulated by the NSX and is made up of 3 components:

- Brokerage commission (based on sliding scale of not more than 1 % of transaction amount)
- NSX Transaction levy (fixed at 10 % of brokerage commission)
- Namfisa levy (fixed at 0.04 % of transaction amount)

For example the total cost of selling or buying N\$10 000.00 worth of shares is 1.14 % or N\$114.00.

NB: There is no tax payable on the proceeds of selling your shares, unless you are a share trader.

When are payments done?

- Selling of shares: Settlement on the NSX takes 5 working days, so you will receive your money after 5 working days of the sale being executed.
- Buying of shares: You need to have the money available in your broker account when you place an order to buy shares.

Who can give me advice on selling or buying Capricorn Group shares?

The NSX registered stockbrokers (IJG Securities, PSG Konsult, Namibia Equity Brokers (NEB) and Simonis Storm Securities) are the best places to look for advice on how to execute your trade, but you need to ensure that you are well informed before making an investment decision.
