TRADING STATEMENT

In compliance with the Listing Requirements of the Namibian Stock Exchange, shareholders are advised that Capricorn Group's profit after tax and earnings per share for the year ended 30 June 2021 are expected to be materially higher than the prior year by between 10% and 20% and headline earnings per share by between 7% and 15%.

The increase is due to very satisfactory results across all subsidiaries and associates, notwithstanding the challenging market conditions during the year under review, as well as a positive impact from the sale of Cavmont Bank Limited.

This trading statement has not been reviewed or reported on by the Capricorn Group external auditors.

The audited financial results for the year ended 30 June 2021 are expected to be published on or about 16 September 2021.
